Leather Animal Footstools
Hand Made in England

Welcome to the Omersa Collection

The Omersa Collection is a range of unique leather animal footstools and desk top accessories made exclusively by Omersa and Company. The first leather pig was made in 1927 and sold through Liberty's of London where they can still be found today.

For those who have grown up with an Omersa animal they have become a very special part of childhood and a highly coveted family heirloom. In recent years our older pieces have been sold at country house auctions both in the UK and USA and are recognised as collector's items.

Our delightful animals make wonderful gifts suitable for special occasions - weddings, christenings, special anniversary birthdays - and are equally appreciated by men, women and children. With over 30 different animals to choose from, each in a variety of sizes, there is an animal to suit every occasion.

The animals are hand crafted from English full grain cowhide specifically produced for our purposes. Inside each animal there is a sturdy steel and wooden frame. Fine compressed woodwool is packed by hand around the frame and is used to build up the features of the animal. As each piece of leather responds differently to this hand crafting process no two animals are ever alike.

Each piece is truly unique and this adds to their charm and personality. Finally the leather is hand stained, waxed and polished to achieve a luxurious rich brown antique finish.

The Omersa animal can be used very effectively to enhance the interior of any home or office. The larger pieces are sturdy enough to be used as a decorative footstool or occasional seat by an adult whilst our miniature collection add interest to a desktop or mantelpiece. Wherever they are used, they are always assured to be a conservation piece!

To keep your animal in the best of health for a long and happy life, may we suggest the following care tips:

- keep your animal dry, out of direct sunlight and away from direct heat
- apply a clear, good quality wax polish to your animal from time to time to protect the leather and remove scuffs
- do not use any water, spray/liquid wax polish as it may damage the stain we have applied to the animal

Omersa はフットツール、デスクトップアクセサリなどユニークな革製の動物を Omersa & company エクスクルーシブでコレクションを展開しています。1927年に初めてレザーピッグをロンドンの老舗デパートである Liberty's で販売を開始して以来、今日まで店頭で取り扱われています。

Omersa のアニマルは幼少期から人々に大切にされ、家族の家宝として受け継がれてきました。最近では、昔の製品がイギリスとアメリカのハウスオークションにかけられ、コレクターズアイテムとして知れ渡るようになりました。

私たちのアニマル達は結婚式、子供が誕生したときの洗礼式や誕生日など特別な日の贈り物として、老若男女問わず愛され続けています。30種以上、様々なサイズからチョイス出来る動物たちはどんな機会にも適しています。

我々の生産用に特別に作られたイギリス製の天然牛皮を使用し、一点一点手作業で作られた動物たち。動物の中身は木製のフレームと頑丈な鉄で出来ており、動物を象る為にフレームの周りに圧縮した木毛を手作業で詰めています。全ての製作行程は手作業で行われている為、ひとつとして同じ形の Omersa の動物はこの世に存在しません。それぞれの動物は魅力的且つ個性的でとてもユニークです。手作業でワックスされ磨かれたレザーは、ラグジュアリー且つリッチなアンティークブラウンに仕上がっています。

Omersa の製品はインテリアとしてご家庭やオフィスでご愛用いただけます。頑丈な大きいサイズはデコラティブなフットツールや時には背もたれとして、また小さい製品はデスクトップや暖炉の傍に置けるインテリアとしての用途があります。置く場所を問わず、常に愛されるアイテムとして存在します。

動物達を長持ちさせ、彼らと共にハッピーライフを過ごす為に下記の方法を推奨致します。

- 常にドライな状態を保って下さい。直射日光や直火はお避け下さい。
- 時々良質のワックスで磨く事でレザーを守り、キズを消すことが出来ます。
- スプレーや液体のワックス等の水分は傷みやシミの原因となりますので、ご使用はお控え下さい。
